

FIRST COMMUNICATION

11th International Congress on Plant Biotechnology and Agriculture

BIOVEG 2017

May 22-26, 2017

Venue: Cayo Guillermo, Cuba

<https://www.iberostar.com/en/hotels/cayo-guillermo/iberostar-playa-pilar>

AREAS OF INTEREST

The Congress includes oral presentations, posters and video. In the same optimal solutions to the individual, local, regional, national and international problems will be transmitted. The areas of interest in the meeting include (but are not limited to): plant micropropagation, natural products, plant-microorganism interactions, plant breeding and conservation of germplasm for food assurance, biostimulants and biocontrol, bioinformatics, education and communication in plant biotechnology. On this unique occasion will be held the Third international Symposium on plant cryopreservation under the auspices of the International Society for Horticultural Science (ISHS, <http://www.ishs.org/>).

INSTRUCTIONS TO MEETING ATTENDEES

Those interested to attend should send their data (using the attached Registration Form), with the Summary of their work in Spanish/English languages to emails: bioveg@bioplantas.cu and bioveg2017@gmail.com. The ending registration date will be on April 10th. The Summary should be ranged from 350 to 500 words long, and it will contain: title, authors and their respective Institutions, e-mail and complete mailing address. The documents submitted after the ending registration date could be accepted with 50 CUC extra charge. However, the organizing Committee does not guarantee inclusion of work in the meeting Abstract book.

COST OF ACCREDITATION: 250 CUC (Cuban currency),

(1.000 EUR = 1.117 CUC) <http://www.xe.com/currencyconverter/convert/?Amount=1&From=EUR&To=CUC#converter>

for accredited students the cost will be 150 CUC

Car. a Moron km 9, CP 69450

Ciego de Ávila, Cuba

bioveg@bioplantas.cu, bioveg2017@gmail.com

REGISTRATION FORM

Scientific degree: Ph.D. _____ MSc. _____ Eng. _____ Lic. _____

ID number: _____

Name(s): _____

Surnames: _____

Sex: Male _____ Female _____

Work address: _____

Email address: _____

Country: _____

Sector Academic _____ Private _____ Student _____

Main topic of interest. Select only ONE.

Micropropagation _____ Natural Products _____ Plant-microorganism interactions _____
Plant breeding and germplasm conservation _____ Bioestimulant and Biocontrols _____
Bioinformatics _____ Education and Communication _____
International Symposium on plant cryopreservation _____
Another: _____ Which one?: _____

Modality: Oral Presentation _____ Poster Presentation _____ Another: _____
